BRIEF INTRODUCTION

Animals help us in many ways. Some give us food to eat. Other animals give us raw materials for our clothing needs. Some animals serve as our transportation. Other animals help farmers in the field. They help farmers till the soil so farmers can plant vegetables and other crops.

Animals get tired too. They need love and care in order to live. They become happy when somebody love and care for them.

Lesson 1

Ways of caring and showing concern for animals

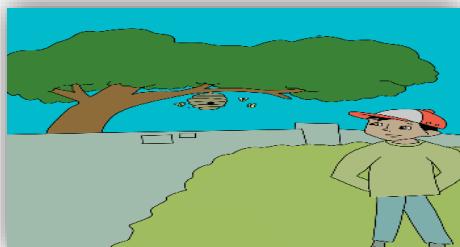

Let us see how do we take good care of our animals.

Always keep your pets clean. Bathe them regularly or if needed.

Feed your pet with the right food. Always give water to drink.

Do not disturb animals in their shelter especially if they are resting.

Give your pet a comfortable place to live in.

Give them regular exercise and let them breathe fresh air.

Take your sick pet to a veterinarian, a doctor of animals.

Lesson 2

Animals Should be Cared for

How will you take care of the animals?

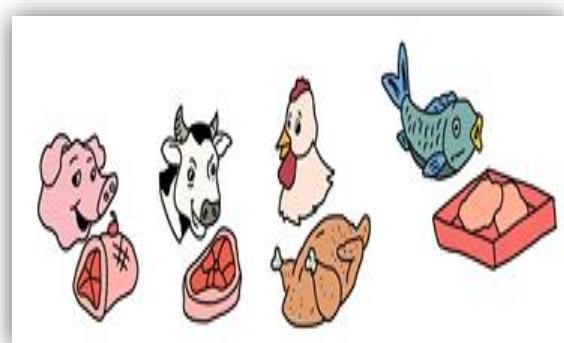

1. As pet

Pets like dog, cat, bird and fishes bring happiness to children like you. Play with them with care. Give them the right food to eat.

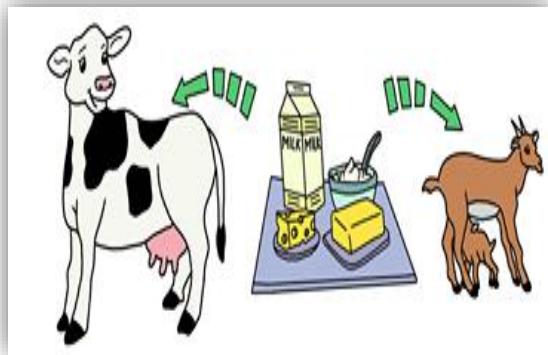

2. As food

Animals provide food for us. The pig, cow, carabao and chicken gives meat. Chicken gives egg too. To make them healthy, give them food, water and a clean place to live in.

3. As Dairy products

Milk, cheese and butter are called dairy products. Dairy products come from animals like goat, cow, and carabao. To make them more productive, give them food, water and a clean place too.

4. As Clothing Materials

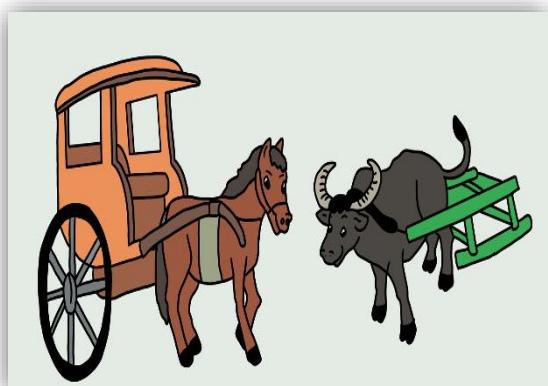

Animals give us clothing materials. Animals fur, skin and feathers are made into clothes, jacket, shoes, bags, wallets, and belts. Animals like sheep, silk worm, alligator and snakes are carefully taken care of.

5. As helpers

Animals are very useful. Horses, can pull calesa while cow and carabaos can pull carts.

These animals help the farmers in the field. Give them food and water. Let these animals have their rest after a long day of work.
