Quarter 2 – Module 7:

Using Common Action Words  
in Retelling, Conversations, etc.

## Introductory Message

This Self-Learning Module (SLM) is prepared so that you, our dear learners, can continue your studies and learn while at home. Activities, questions, directions, exercises, and discussions are carefully stated for you to understand each lesson.

Each SLM is composed of different parts. Each part shall guide you step-by-step as you discover and understand the lesson prepared for you.

Pre-tests are provided to measure your prior knowledge on lessons in each SLM. This will tell you if you need to proceed on completing this module or if you need to ask your facilitator or your teacher's assistance for better understanding of the lesson. At the end of each module, you need to answer the post-test to self-check your learning. Answer keys are provided for each activity and test. We trust that you will be honest in using these.

In addition to the material in the main text, Notes to the Teacher are also provided to our facilitators and parents for strategies and reminders on how they can best help you on your home-based learning.

Please use this module with care. Do not put unnecessary marks on any part of this SLM. Use a separate sheet of paper in answering the exercises and tests. And read the instructions carefully before performing each task.

If you have any questions in using this SLM or any difficulty in answering the tasks in this module, do not hesitate to consult your teacher or facilitator.

Thank you.

## *What I Need to Know*

This module provides you with activities that will teach you how to use common action words in retelling, conversations, etc.

Activities in this module will teach you the importance of using action words or verbs in making sentences.

At the end of this module, you are expected to:

1. use common action words in retelling, conversations, etc. (*EN2G-III h-3.4*);
2. identify action words in sentences; and
3. write a sentence with an action word.

## *What I Know*

Supply the statements of the pupils during their conversation with their teacher using common action words. Use each picture as your guide. Do it on your paper.

Hi kids! Can you share the things that you do to keep your body healthy and strong using common action words?

## Lesson

# 1

## Using Common Action Words in Retelling, Conversations, etc.

Some words tell things that we can do. We call them verbs. Verb is also called an action word that describes what the subject is doing or the condition of the subject. A verb tells us the body movement of a person or an animal. It tells what girls and boys can do like you. A verb or action word is a very important part of a sentence. It tells the doer's actions, events, or state of being. We use these words to communicate about the different events in our lives.

### *What's In*

Let's see how well you have understood your previous lesson about verbs.

Match each picture with its sentence that tells the action. Write the letter of the correct answer on your paper.

1.

A. Noel eats nutritious food.

2.

B. Manny drinks a glass of water.

3.

C. Ronnie sweeps the floor.

4.

E. Bessy dances.

5.

F. Liza plays

### *Notes to the Teacher*

The teacher must consider the prerequisite skills such as reading comprehension, and knowledge about verbs needed in the development of this competency including the schema or background knowledge which may reinforce learning. This module will help the learners bridge the gap of learning to attain mastery of the lesson in its spiral progression.

### *What's New*

Do you like playing? What are the things that you do? Let's see if you have the same activities just like the children in the short story below.

Read and retell the story.

#### **Playing Time**

by: Marietta L. Manayag

It is Saturday morning. The Santos family enjoys their time at the park. Let's read their conversation and see what they do and say.

*"Marco let's kick the ball,"* said Mark.

*"Fe, come and join me. It's nice to slide here."*  
Liza invited.

*"I love playing on this swing,"* Fe replied.

While Letty and Eddie play in the sand, mother and father reminded their children.

*“Enjoy and be careful.”*

Write the correct action words on paper to complete the activity.

1. The Santos family (enjoys, thinks) their time at the park.
2. Marco and Mark (catch, kick) the ball.
3. Liza invited Fe to join her, but Fe (hates, loves) to play on the swing.
4. Letty and Eddie (play, stay) in the sand.
5. Mother and father (reminded, invited) their children to be careful.

## ***What is It***

In telling stories or talking to someone we use verbs to create a clear picture of what is being talked about and the action being done. Here is an example of a short story which can be retold using common action words. Now, let us read the short story.

## Bino, the Kind Boy

by: Marietta L. Manayag

Bino saves his money in a bamboo coin bank. He skips snacks to have enough savings because he wants to help his family.

He collects empty plastic bottles and sells them at the junk shop. He also wakes up early to sell *pandesal*.

He works hard and studied his lessons well. Bino is truly a kind boy.

Now, let me retell the story of Bino by using some of the common action words.

Bino is a kind boy who saves money and skips snacks to help his family. He collects empty bottles and sells them at the junk shop. He also sells pandesal and studied his lessons well.

Can you retell the story too on your own using common action words?

5. When you study, it means you \_\_\_\_\_.

Let us have another example. This time, you will read a dialogue which can also be retold using common action words.

Daniel: "Dad! Dad! Please come here and watch the news it's already starting."

There will be a film viewing, bazaars, food fair and a pet exhibition at the plaza. Kids will have free admission to the animal exhibition which will showcase different animal tricks. There will be a comic show where the clown will make funny acts. People will surely laugh and clap their hands for him." Read the flyers and watch the newscast for more information! #### **Thank You Dear Plants!** by: Marietta L. Manayag

Everyday as I wake up,  
I say a prayer to God above,  
I eat my breakfast and finish my tea in a cup,  
Then look outside at the plants I love.

Thank you, dear plants, for the air we breathe,  
Thank you, dear plants, for our shade against the heat,  
Thank you, dear plants, thank you,  
Thank you, dear plants, we love you.

Plants can be weeds, grass, a flower, or a tree,  
Plants were created by God for you and me,  
So, in our prayers and our hearts we keep,  
Take care of plants for a better world to live.

Who protects our safety and security  
By enforcing the law.

And I'm proud of them,
