## Quarter 4 – Module 3: Guide to Different Places

# Introductory Message

For the facilitator:

Welcome to the English Grade 3 Alternative Delivery Mode (ADM) Module on Guide to Different Places!

This module was collaboratively designed, developed and reviewed by educators both from public and private institutions to assist you, the teacher or facilitator in helping the learners meet the standards set by the K to 12 Curriculum while overcoming their personal, social, and economic constraints in schooling.

This learning resource hopes to engage the learners into guided and independent learning activities at their own pace and time. Furthermore, this also aims to help learners acquire the needed 21st century skills while taking into consideration their needs and circumstances.

In addition to the material in the main text, you will also see this box in the body of the module:

As a facilitator, you are expected to orient the learners on how to use this module. You also need to keep track of the learners' progress while allowing them to manage their own learning. Furthermore, you are expected to encourage and assist the learners as they do the tasks included in the module.

For the learner:

Welcome to the English Grade 3 Alternative Delivery Mode (ADM) Module on Guide to Different Places!

This module was designed to provide you with fun and meaningful opportunities for guided and independent learning at your own pace and time. You will be enabled to process the contents of the learning resource while being an active learner.

This module has the following parts and corresponding icons:

### *What I Need to Know*

This will give you an idea of the skills or competencies you are expected to learn in the module.

### *What I Know*

This part includes an activity that aims to check what you already know about the lesson to take. If you get all the answers correct (100%), you may decide to skip this module.

### *What's In*

This is a brief drill or review to help you link the current lesson with the previous one.

## *What's New*

In this portion, the new lesson will be introduced to you in various ways such as a story, a song, a poem, a problem opener, an activity or a situation.

## *What is It*

This section provides a brief discussion of the lesson. This aims to help you discover and understand new concepts and skills.

## *What's More*

This comprises activities for independent practice to solidify your understanding and skills of the topic. You may check the answers to the exercises using the Answer Key at the end of the module.

## *What I Have Learned*

This includes questions or blank sentence/paragraph to be filled in to process what you learned from the lesson.

## *What I Can Do*

This section provides an activity which will help you transfer your new knowledge or skill into real life situations or concerns.

## *Assessment*

This is a task which aims to evaluate your level of mastery in achieving the learning competency.

## *Additional Activities*

In this portion, another activity will be given to you to enrich your knowledge or skill of the lesson learned.

## *Answer Key*

This contains answers to all activities in the module.

At the end of this module you will also find:

## *References*

This is a list of all sources used in developing this module.

The following are some reminders in using this module:

1. Use the module with care. Do not put unnecessary mark/s on any part of the module. Use a separate sheet of paper in answering the exercises.
2. Don't forget to answer *What I Know* before moving on to the other activities included in the module.
3. Read the instruction carefully before doing each task.
4. Observe honesty and integrity in doing the tasks and checking your answers.
5. Finish the task at hand before proceeding to the next.
6. Return this module to your teacher/facilitator once you are through with it.

If you encounter any difficulty in answering the tasks in this module, do not hesitate to consult your teacher or facilitator. Always bear in mind that you are not alone.

We hope that through this material, you will experience meaningful learning and gain deep understanding of the relevant competencies. You can do it!

## What I Need to Know

Are you ready to learn today?

In this Module, you will learn to interpret maps of simple places, signs, and symbols. The skill that you will learn will be applied in real-life situations particularly in locating simple places in your community.

## What's New

Now, are you ready for the next activity? Since you are ready, let's get started.

Look at the map. What did you observe?

**LET'S READ THE MAP**

Boyet's Street

N

W E

S

**LEGEND:**

-  School
-  Restaurant
-  Supermarket
-  House
-  Park
-  Road
-  Railroad

Yes, you are right! The map shows the location of each place. Places can be found in the east, west, north, and south. Their directions depend on which location you are in.

Now, try to give the location of these places orally.

a. In what location can you find the supermarket?

b. How about the restaurant, in what direction is it located?

Yes, you are right! The **supermarket** is in the north while the restaurant is in the east.

## *What is It*

So that you will get to know more about how to interpret simple maps, read, and understand the Key Points carefully.

### Key Points

#### Interpreting Simple Maps

- **Map** is a diagram that represents an area of land showing physical features, cities, roads, etc.

- North, South, East, and West are the four main "cardinal" directions.
- On a map, **North** is at the top, **South** is at the bottom, **West** to the left, and **East** to the right.

**A**  
**B**  
**C**

## What's More

Did you gain more knowledge about interpreting simple maps of places? Now, you are ready to proceed to another activity.

Directions: Interpret the map for you to answer the questions below. Write your answers on a separate sheet of paper.

1. If you are in the Christian Church, what is the location of Marlon's House?  
a. East      b. West      c. North      d. South
2. From the Fire Station, what is the location of the Health Center?  
a. East      b. West      c. North      d. South
3. If you are playing in the Eco Park, what is the location of the hospital?  
a. East      b. West      c. North      d. South
4. If you are in the school, what is the location of the Christian Church?  
a. East      b. West      c. North      d. South

## *What I Have Learned*

Answer the following questions orally:

1. What is a map?
2. Why is it important to interpret simple maps correctly?

Let's find out whether you are able to give the correct answers or not. If you were not able to get all correct answers, don't worry. Just read and understand carefully the answers provided for you below.

1. A map is a diagram that represents an area of land showing physical features, cities, roads, etc.  
Maps represent the real world on a much smaller scale.
2. Learning how to interpret the simple maps correctly is important because maps help you locate a place and can be used in travelling from one place to another. They help you organize information. They help you figure out where you are and how to get where you want to go.

## What I Can Do

Directions: Interpret the map correctly. Answer the questions below. Use a separate sheet for your answers.

1. This is a map of a \_\_\_\_\_.  
a. town      b. school      c. farm
2. The pond is located \_\_\_\_\_ of the mango tree.
